

JANEZ POTOČNIK
Member of the European Commission

Brussels, 03.06.2009
WK/cn-A/09/856

Dear Mr Mieres,

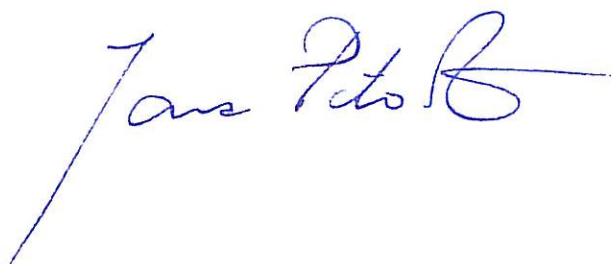

Thank you very much for your letter of 12 May 2009. It was a pleasure for me to meet you last March, as a member of the industrial representation of the "Energy Efficiency Buildings" Public Private Partnership (PPP), together with the representatives from the "Factories of the Future" and "Green Cars" PPPs. This first meeting was indeed successful and we had a fruitful exchange of views on the implementation of the three PPPs.

As you know, highly visible cross-thematic calls are due to be launched in July 2009 as a first step of the implementation. Our services are organising a "Research PPPs Info-Day" in Brussels on 13 July, aiming at disseminating the information regarding those calls. I would like to suggest that we hold our planned follow-up meeting with industrial representatives from the three PPPs on that same day, in the late morning, with the aim of reviewing the progress made in the setting-up of the PPPs.

Please do not hesitate to contact the deputy head of my cabinet, Mr. Waldemar Kütt, for all arrangements.

I look forward to welcoming you again in Brussels.

Yours sincerely,
